

Accessibility Statement

Last Updated: 31 Aug 2026

Our Commitment

The Cellar Community is committed to ensuring our website and digital experiences are accessible, inclusive, and welcoming to all users, regardless of ability, technology, or circumstance.

We aim to provide a website experience that is easy to navigate, clear to understand, and accessible across a range of devices and assistive technologies.

Accessibility Features

We strive to support accessibility by:

- Using clear and readable fonts
- Maintaining consistent navigation and page structure
- Designing with colour contrast and readability in mind
- Ensuring the website is mobile and tablet responsive
- Writing content in a clear and understandable format
- Supporting keyboard navigation where possible
- Using descriptive headings and page structures
- Adding alternative text to important images where appropriate

Ongoing Improvements

We recognise that accessibility is an ongoing process and are continually working to improve the usability and accessibility of our website and digital content.

As our platform evolves, we aim to review and improve accessibility standards wherever possible.

Third-Party Content

Some third-party tools, integrations, or embedded content used on our website may not be fully accessible or may behave differently across devices and technologies.

We cannot guarantee the accessibility of third-party platforms but aim to work with reputable providers wherever possible.

Feedback & Assistance

If you experience any difficulty accessing content on our website, or if you have suggestions on how we can improve accessibility, we would welcome your feedback.

Please contact us at:

Email: info@thecellarcommunity.com

We will do our best to respond promptly and provide assistance where possible.

Compatibility

The Cellar Community website is designed to function across modern browsers and devices, including desktop, tablet, and mobile platforms.

For the best experience, we recommend keeping your browser and device software up to date.

Future Accessibility Goals

As The Cellar Community grows, we aim to continue improving accessibility through thoughtful design, clearer content structure, and ongoing usability reviews to create an experience that feels welcoming and inclusive for all members of our community.
